

cod. 10 10 60 10 16

Aspirapolvere mod. 18 lt solo per polveri con accessori

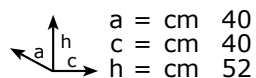

Dati tecnici:

- > numero motori 1
- > raffreddamento diretto
- > doppio stadio
- > 230 V
- > potenza max 1200 W
- > potenza 1000 W
- > depressione mm H₂O 2200
- > aria aspirata m³ / h 185
- > livello rumore dBA 60
- > capacità totale fusto 18 lt
- > fusto plastica

Vacuum cleaner mod. 18 lt only for dust with accessories

Technical data:

- > no. 1 motor
- > cooling thru flow
- > double stage
- > 230 V
- > power max 1200 W
- > power 1000 W
- > waterlift mm H₂O 2200
- > air flow m³ / h 185
- > noise level dBA 60
- > total tank capacity 18 lt
- > plastic tank
